

# Full Stack Development with Python and Django

Arun Kirubarajan ([kirubarajan.com](http://kirubarajan.com))

[pennlabs.org](http://pennlabs.org)

# What is web development?

**Python + ??? =  
Website?**

# Introducing **django**

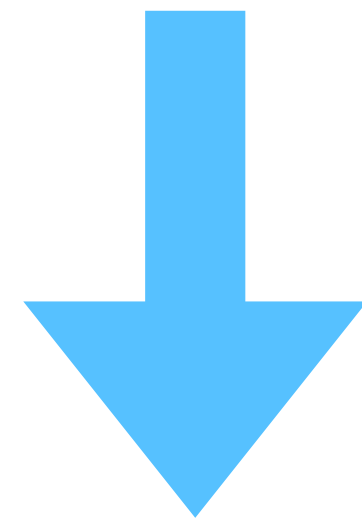

# Case study:

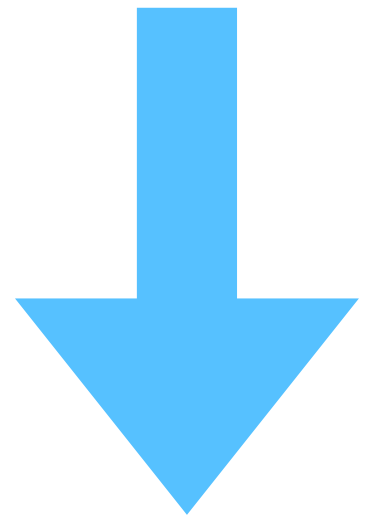

# Model View Template

(user)

# Project (Database) View (Django) Template (HTML)

(user)

# **Database ORM Rendering engine Authentication**

**DISCLAIMER:**  
**different strokes for  
different folks (organizations)**

# Open Source Alternatives:

## **Express**

## **Flask**

## **Meteor**

**DEMO:**

**building a portfolio site**

# Django Expert:

# Timothy Allen

**Thank you! 🙏**
